WHAT IS PAINTBALL?

Paintball is an “extreme sport” that can be played by anyone over 16 years of age.

Games involve two teams starting at opposite ends of a field and competing against each other to achieve a variety of objectives.

Players use air-powered paintball “markers” to fire small gelatin capsules, called “paintballs”, at the opposition. When a player is “marked” with a paintball, he/she is eliminated from the game.

Games are monitored by paintball referees and all players must wear protective masks for safety. Games last between 10 and 30 minutes each.

WHO CAN PLAY?

Splat Attack Paintball can be played by anyone over the age of 16 (under 18's will need parental consent).

Over the years, Echuca Paintball, Splat Attack has been visited by thousands of players, both male and female, from 16 year olds up to 70+.

Groups come to play for birthday parties, bucks and hens nights, corporate get-togethers and end-of-year break-ups, or just to have an action packed day with friends and family.
