WHO CAN PLAY?

Well lasertag games can be played by anyone aged 6 years and up, so bring 'em with you and let them loose on the lasertag field while the adults are on the paintball field! But don't make the mistake of thinking this game is just for the kids - anyone over the age of 6 can play, so get out there.

Groups come to play for birthday parties, bucks and hens nights, corporate get-togethers and end-of-year break-ups, or just to have an action packed day with friends and family.
